Dear Mr. Cooper:

This is to verify your reception report of September 22. Your report was correct in all respects. Ordinarily, WKOZ does conduct their frequency checks on the first Monday morning of each month from 1:00 a.m. until 1:15 a.m. However, on September 22, the check was conducted because I overslept on the regular morning!

Enclosed is a coverage map for WKOZ, one of last year's, incidently. We began operation in October of 1947. Most of the information you asked for is on the coverage map; however, if you wish any further information, I shall be glad to oblige.

Hope that you find any information I have given you just what you wanted, and I hope that you'll be listening for WKOZ again. Let me know if I can help you in any way.

Sincerely,

Wayne A. Oliver
