Dear Sir,

This is to verify your report on the reception of Radio Station WLAU. Thanks for your report.

Laurel has a population of about 30,000. It got its name from the mountain laurel that grew in this area at the time the town was being developed.

Wlau coverage in the day is about 15 to 20 Miles radius and at night it is about 5 to 10 miles. We run these frequency checks every second Monday morning of every month. Ellington Radio Service In Jackson, Miss. is the monitoring station for WLAU.

Yours truly,

James M. Hilbun  
Chief Engineer
