Dear Mr. Cooper:

This will verify your letter of January 11, 1950 reporting a frequency check of Radio Station WNAT. We were on the air from 1:00 to 1:30 AM, January 9, 1950, and the time that you reported on (1:25 - 1:29AM) was correct.

Our monitoring station in Jackson is Ellington Radio, but we do not know any other station who checks frequency with them. We hold our Frequency checks every second Monday of the month, and hope that you will tune in again.

Thank you for your interest and report to us.

Sincerely yours,

H. J. Jennings
