Dear Mr. Cooper:

In reference to your letter we were very glad to hear that you were able to syntonize our Broadcasting Station on December 24th., from 1.49 to 2.03 A. M.

We certainly were on the air at that time broadcasting the very same program you tell us about in your letter. This make us feel very good knowing that we can reach as far as Brooklyn, N. Y., and hope that in the future we will be able to improve our long wave programs.

We appreciate your kindness of letting us know about it and with best wishes for the New Year of 1952, we remain

Yours very truly.
