Dear Ernest:

Thanks very much for the DX report. Did not realize we were reaching so far.

We have no background hum in area or seventy miles out, so the noise ~~must~~ have been interference.

We plan to go on the air Oct. 15, 1958. Sign on at 5:30 AM, sign off at sun down. No freq. checks scheduled as yet. Sorry, but we have no coverage maps available at this time. No affiliate - music news and weather. Plan to run contest or give a prize for person sending best slogan for WAGY. Using RCA equipment.

Thanks again for the Dx report (your letter of Oct. 1, 1958)

Cordially,

Don H. Lovelace  
Station Manager
