Dear Mr. Cooper:

Thank you for your letter of February 21, 1977, It was good to hear from you.

In reference to your request for verification of your reception of WBBO, what you heard and listed was correct.

Enclosed is a list, as of today, of those writing to WBBO reporting that they had heard our test broadcast. It looks as if we reached out quite some distance.

I am sorry at this time we do not have a coverage map. Our coverage is about a seventy-five mile radius.

Again, thank you for your interest in our station.

Sincerely yours,

Bill Prather
