Good morning to you
Ernest!

Thank you for your letter dated
Sept. 21, 1986 informing us that
you had received WBZQ's
signal Sept. 21ST 1986.

This note will confirm your
receipt of our signal. In
fact I was the one giving
the station I.D. & announcing
that we were running a test.
It was identical to what you
stated that you heard.

Thanks again for your letter &
it's great to be heard that
distance from Greenville, N.C.
May the Lord bless you in
the future.

Sincerely,
Jim McManus
