Dear Mr. Cooper,

Thank you so much for the effort and time you took in writing us such a nice letter on June 8, telling us that you had received our WCDJ signal on that date. According to the Engineer's Log, this letter is a "verification" of your reception of WCDJ's signal as noted in your letter to us.

WCDJ runs frequency checks every fourth Sunday of each month at 5:00 am until 5:10 am. That is our only schedule that consistently kept. WCDJ signs on at 6:00 am on the weekdays, and at 7:00 am on Sundays. We sign-off at 7:00 pm. We operate daytime only, and our sign-on and sign-off times vary according to the time of the year. This station went on the air in December 1956, and we are not affiliated with any network or any other station at this time.

The best of luck to you in your DXing, and please let us hear from you again if you pick us up. We enclose our Coverage Map as per your request.

Yours KCingly,

COLONIAL BROADCASTING COMPANY, INC.
