Dear Mr. Cooper:

Was glad to receive your letter of July 17 and learn that you received our signal in Brooklyn, New York. We can definitely verify your reception of our outstanding 250W radio station.

WCOK has been on the air in operation since April 26, 1967. Being a new station, we do not have our coverage maps printed yet. WCOK is on the air each third Monday morning at 1:35 a.m. for frequency check purposes.

We most certainly appreciated your letter.

Sincerely,

Brice A. Miller
