Dear Sir:

Thank you very much for your letter of November 23 reporting reception of our station on that date. This will confirm all times that you heard our call letters and music on that broadcast. Our President and General Manager, Mr. J. S. Younts, formerly lived in Jackson Heights, New York, and is pleased to learn that WEEB was heard in Brooklyn.

As a matter of information, WEEB went on the air November 15. Our operating schedule for December will be 7:15-5:00, and in January 7:30-5:30. Our frequency checks are conducted daily from Columbia, South Carolina. At such time as we anticipate night testing, we will drop you a card.

Southern Pines is a Mid-South resort town situated in the Sandhill Section of North Carolina, forty miles west of Fayetteville with a population between 2500 and 3000.

Yours very truly,

RICHARD PHILBRICK
