Dear Sir:

After checking our transmission records for Station WILX, we are pleased to be able to verify reception of the station on December 1, 1947, between 2:00 and 2:30 A.M. We sincerely appreciate your report and would appreciate any further reports of reception which you might care to submit.

WILX, operating with 250 watts, has been operating for approximately six months on 1450 kilocycles and is at present operating on a seventeen hour daily schedule. It is an affiliate of Mutual Broadcasting Company.

Thanks again for your report.

Very truly yours,

James E. Brunson, Jr.
(N. W. H.)
