

ROCK 93 WITN AM & FM STEREO

April 14, 1982

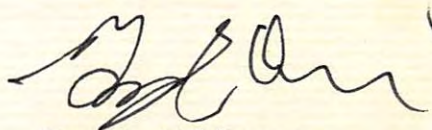

ERNEST R. COOPER
National Radio Club
5 Anthony Street
PROVINCETOWN, MASS

Dear Ernie,

Thanks for the letter. Please accept this as a verification of your report of reception of WITN-AM on Monday morning April 12, 1982. WITN-AM is celebrating 40 years of service this month, so in observance, we are now broadcasting 24 hours a day, seven days a week (NSP as we DXers say). We've always had a full time license, but until now always signed off.

Anyway, thanks again for your neat and accurate report of WITN AM 930 kHz. Sorry, we are out of CMs, but a bumpersticker from our FM is enclosed. By the way, the programming you heard was not satellite (although we hope to go to that and AM stereo in the near future) but rather SMC automation with Tanner Easy Listening format.

Good DX

Gregg Allinson
