Dear Ernest:

Thanks for the nice report on our signal February 21 between 3:30 and 4:00 AM. I am very glad to verify your reception on the Hannarland HQ-129x. Yes, we do protect WHDH in Boston and KOA in Denver.

I am sorry that I got to your letter so late, we could have given you a nice plug. The next time you can be sure that we will. WKIX was at one time in S. C. We took the call when it came available just to get the better call and to impress on the public the seperation of the station from its old owner The News & Observer Publishing Company. We like it much better, how about you?

Best regards.

Yours very truly,

Art Humphrey
