Mr. Ernest R. Cooper
National Radio Club
438 East 21st Street
Brooklyn 26, N. Y.

Dear Mr. Cooper:

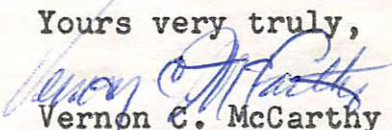

This is your verification of reception of WKSK on the morning of May 16th from 1:29 to 1:42 AM E.S.T. WKSK was on the air at that time for twsting and frequency check.

Please forgive me for this delay in writing you. I usually try to verify reception as soon as I receive the letter but in your case you requested a coverage map and I contacted the Sales Department to get one for you and they were out and I was told they were on order. However, they still have not arrived and I know you are anxious to get a verification. I will forward a coverage as soon as they are received.

We conduct a test program the third Monday morning of each month. We usually are on the air from 1:30 to 2:00 AM EST. Sometimes, however, it is necessary to come on the air earlier.

Thanks for your report.

Yours very truly,

Vernon C. McCarthy
Chief Engineer
