Dear Ernest:

It was so nice to hear from someone so far from Raleigh, N.C.  
I am happy to verify you indeed pick us up between 4:00 & 5:00 Pm  
Saturday Nov 26.

We hear from DX'ers quite often. Yours is an interesting hoby.  
I am 71 years old and have been associated with radio all my life.  
I became interested at the age of six when we got our first radio.  
Amos & Andy , Eddie Cantor, Lum & Abner were some of my favorites.  
I teird my hand at broadcasting when about 8. I tried to hook up  
a homemade mike to our receiver and burned out the power transformer  
instead. That really peaked my interest. As I grew older I learned  
how to repair radios and during WW2 was a Radar Maintenance Chief.  
I owned my own Radio & TV Service Co for many years and then went into  
Christian Radio Broascasting. Im still doing it.

Best wishes and have a nice Christmas.

Sincerly,
