Dear Mr. Cooper:

It is pleasure to VERIFY your report of reception of the program on the morning of November 28, 1954 from 4:00 to 4:30 EST..

Was unable to have a D.J. present for the program but I enjoyed spinning the disk and making break annos. for the NRC members, yes every minute of it.

I am indeed grateful for the many reports received from the members and wish you would pass along this note to them:

I am sorry for the delay in answering many of the reports and if there was or has been any who failed to get a Verification, I will be glad upon request to furnish same. Thanks to every one.

Many thanks for your very fine report and as soon as I find someone who can give me history on this town with a city future, of which I am not a native, I will be pleased to give you a detailed report.

Yours very truly

Arthur D. Nix

P.S. A VERY MERRY CHRISTMAS.... And many pleasant returns from the NEW YEAR..

A.N.
