Dear Mr. Cooper:

This is to confirm reception of our equipment test signal as reported in your letter July 23. Your report is correct as compared with our log.

Daily frequency checks will be made until approximately August 4, and will probably be once a week after that. A definite schedule has not been determined. Our sign-on time is 6:00 A.M. and our sign-off time, beginning August 1, is 7:00 P.M.

Thank you for writing to us.

Very truly yours
