Dear Mr. Cooper:

WTLK first went on the air, June 17th., 1962....hours are from sun-up to sun-set and, yes, we do have an early-morning frequency check which is the first Friday of every month at 3:00 a.m. I regret to say there is no significance to our call letters.....and as far as I know Brooklyn is as far away as we've been heard.

Thank you so much for your letter and I am very sorry we do not have a coverage map to send you.

Sincerely,

*Margie*
