Dear Mr. Cooper,

Thank you so much for your report of reception of WWDR of
December 24, 1968, 4:52 to 5:00 PM.

Your report is correct. I am enclosing a WWDR coverage
map, although it is an old one which does not reflect our
recent power increase.

The recording of the national anthem to which you refer is
a SESAC recording which is not for sale to the general public.
from an album called "Proudly We Hail". I am enclosing a
tape of this recording for your use.

Our frequency checks are performed on the third thursday
night of the even numbered months at midnight to 12:05 AM
friday morning. Our proof of performance is not as yet
scheduled for this year.

Once again thank you so much for your report and best
wishes for a happy New Year.

73,

Don
