Dear Sir

I received your very welcome letter and was surprised you could get us, over the top of W W S W. I guess it was bouncing off one of our many mountains here in Western North Carolina. We are located on U S highway 19 & 23 1 mile West of Canton, North Carolina.

We have new Gates equipment all way, and like it very much.

We have been on the air since July 12, 1954. My frequency check is the fourth tuesday of each month from 5:50 until 5:00 A M.

Thank you again for the nice letter.

Very truly yours

John H. Welch  
Engineer W W I T
