Dear Mr. Cooper:

Thanks ever so much for your reception report for WYZD. Without the help of you guys I sometimes wonder what Broadcasters would do. Of course we long to hear from you concerning our equipment testing performances and verifications. It's amazing to learn the different types of receptive equipment you have.

I am sorry I was so late in responding to your letter, but I am sure you understand what it must be like trying to get a new station on the air.

Again many thanks and your reception of WYZD, Dobson, North Carolina was correct.

If you are ever in this area, please stop by and say hello.

Regards,

WYZD
