Dear Mr. Cooper;

We are all excited about your letter and are pleased to confirm the fact that you did hear W.D.E.R. on Thursday, September 19, 1985.

You will be interested to know that W.D.E.R.'s signal has been reached as far away as Australia. If you have any further questions, please feel free to contact me anytime. We truly appreciate your interest.

Good luck with future endeavors.

Respectfully,

A handwritten signature in red ink, appearing to read "Jim Van Law", is written over the typed name.
