Dear Mr. Cooper:

This is to verify your reception report of WFTN, on our DX test Monday morning, December 8, 1975. Our power at that time was 1 kilowatt, as it was during the entire test. The entire test ran from 0030 Eastern Standard Time until 0230 EST.

WFTN will run new DX tests every Monday Morning thru March 1976 in most cases, and from 0030-0200, unless requested otherwise by the NRC or any other radio club.

Thanx for listening! And by all means, 73 and Good DX76!!
