"The Sound of Music and Information"

January 12, 1970

Mr. Ernest R. Cooper, Editor
National Radio Club
438 East 21st Street
Brooklyn, New York 11226

Dear Mr. Cooper:

We received your DX letter this morning relative to your reception of WKXR on January 7 in Brooklyn.

After checking through our program log, I have found that the information included is accurate, with the exception of a Chevrolet commercial for Jack Reid. There is no such dealer in this area, and we have never had an advertiser by that name. I would presume this came from some other station on our frequency.

Based on the other information, we are pleased to confirm your reception of WKXR.

Sincerely,

A handwritten signature in blue ink that reads "Ronald P. Allard".
