Mr. Ernest R. Cooper
National Radio Club,
438 East 21st Street,
Brooklyn, 26 New York...

Dear Mr. Cooper;

We appreciate your reception report of Radio Station WTSN in Dover, New Hampshire... WTSN usually signs off the air at 11:15 PM, However on Tuesday the 11th of September our coverage of the election primaries kept us on into the wee hours of the morning... Of course we operate with a directional pattern for day and night operation and we congratulate you on your reception despite the QRM...

Your report of our election night activities and the early evening report of August 23rd, 1956 are substantially correct and we are glad to verify this reception report... We want to thank you once again for your letter and wish you lots of good DX'ing with your Hammerlund HQ-129-X...

Very truly yours,
Douglas E. Gove
