Provincetown, Ma 02657

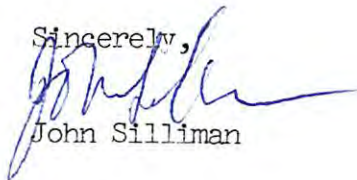

Dear Mr Cooper:

You did indeed hear WGHT Radio recently! This is BY FAR the furthest distance that anyone has ever written to report having heard our signal.

eWare very proud our station and its history--the very fact that it has survived to these 31 years. It was founded in October 1964 as WKER by Robert Kerr. It was a top 40/easy listening station(a difficult, if not impossible combo by the 1990's) and remained so even after Mr. Kerr's death in 1984. In 1993, it was purchased by Mariana Broadcasting, and became an OLDIES station--50's, 60's and 70's Rock and Pop.

Thanks again for your letter!

Sincerely,

John Silliman
