Dear Ernest,

Received your letter regarding the signal you picked up from our station.

It is most gratifying to hear the signal we put out was clear and that you enjoyed the music.

This is to verify the fact that it was our station, and would appreciate further correspondence after Dec. 15, 1953, between the hours of 05:00 and local sundown here. (At this time 4:45 P. M.)

Thanking you for your correspondence, I am
