PERCYPENY RADIO 1310

SAGAMORE ROAD & PERCYPENY LANE
PARSIPPANY - TROY HILLS
NEW JERSEY 07054
(201) 335-9775

Mr. Ernest Cooper
National Radio Club
438 East 21st Street
Carrier Route 56
Brooklyn, N.Y. 11226

Dear Mr. Cooper,

This letter is to verify your reception report of WPRJ on 1310 Khz, Sunday, November 26, 1973 between the times of 11:49 a.m. est. and 1206:30 pm. We understand you used a Hammarlund HQ-180-/C receiver along with a SM-1 antenna.

WPRJ uses a Gates Vanguard II Transmitter that feeds a specially designed Gates phasor which in turn feeds our 4 tower antenna system. Studio equipment consists of mainly Gates equipment except for our automation unit that was made by Broadcast Products Inc. The station operates seven days a week from 6a.m. until local sunset except Sundays when we sign on at 8:00 a.m.

WPRJ is owned and operated by Percypeny Radio Inc. which will help explain the meaning of our call letters which stand for Percypeny Radio Jersey. We first started broadcasting with regular programming on January 13, 1973 at 7:15 a.m. est.

WPRJ's programming consists mainly of an up tempo middle of the road format with a touch of gold intermixed. We feature four current easy listening hits each hour. Our 1Kw. signal which our coverage map (enclosed) will verify is aimed away from your monitoring point in Brooklyn.

Thank you for your report Mr. Cooper and if we can assist you or your members in the future, please let us know.

Yours truly,

Mike Ofsonka
Public Service Director
