Dear Mr. Cooper:

Your description of the programming over WAFS, 1570 kc, Amsterdam, New York on August 22nd, 1963 matches our program log. Therefore, I verify your reception of WAFS on August 22nd, 1963 between the hours of 6:02 and 6:09:30 a.m. E.D.S.T.

Your reception of WAFS in your area was quite a feat! I guess there's nothing a proper L - C factor and a high enough L - C ratio can't do.

In the meantime I'll try to look up the other information you inquired about.

In the event that you have further technical questions, you may reach me directly by writing to my home; 138 Consaul Road, Colonie, New York.

Very truly yours,
