Mr. Ernest R. Cooper,
438 East 21st St.,
Brooklyn 26, N. Y.

Dear Ernest:

Thanks for your report of our FC of Dec. 29th, and I'm pleased to verify it. Leo's station **WEDC** raises Hell with us....(maybe we raise Hell with them in some places)...but we sure cant get out too well. However, I have card from Eldon Addy, at Marcus, Iowa saying he got us pretty fair. Naturally **WEDC** would knock the Hell out of us there....in fact, dont see how we got there. This time, for the first time, got a report from North Sydney, Nova Scotia, and it's the first one we've ever had from **AST** zone. That's just about as far as you can go on this continent, without being in the Atlantic Ocean.

Glad to know you landed **NANTES**; was stationed near there (and came through there) in **WWL**. I was at St. Nazaire.

Listen, Ernest....dont thank me for doing these monthly **DX** programs. I get a kick out of them, believe me. I get these requests from various **DXers**....and razz the hell out of guys like Phil Nichols....play something special for a **DXer** who has had a new baby....or for his girl who got married....etc., etc., it's just trying to be a human being. And **DXers** are swell guys! So you see....it's selfishness on my part.

Thanks for your good wishes and I hope 1948 will prove very, very good to you and yours.

Cordially yours,

Stanley
