Dear Mr. Cooper:

I would like to take this opportunity on behalf of the staff of W C H N to thank you for your interest and the resulting report gratefully received.

This is to verify your report of Jan. 20th '53 from 5:36:30 to 5:44 A. M. Everything checks as heard. In answer to your questions for the sake of brevity I will list them as follows:

1. The population of Norwich is 10,000
2. As to how the town got its name may I refer you to:  
Mr. Roy Gallinger  
c/o The Binghamton Sun  
Norwich, N.Y.
3. WCHN went on the air Jan. 1st 1953 and serves a primary area with a radius of approx. 30 miles.
4. There aren't any area coverage maps available.
5. We haven't received any reception reports from the Greenville, New York area.

You might be interested to know the greatest reported distance W C H N has been heard to date. This report was sent in by Len Kruse of 816 Euclid St. Dubuque, Iowa, who used a SX28A Hallicrafters with a 30' east-west antenna. Len is a member of the National Radio Club.

I hope this will serve to verify your report and may I add that we here at W C H N appreciate your interest and wish you the best of DX'ing.
