Dear Ernest:

Thank you for your recent "DX'er" listening report.

Please accept this letter as written confirmation that the program information you supplied as having monitored on Tuesday, September 3, 1985 from 6:27 p.m. to 7:03 p.m., was in fact WCHP and agrees with information contained in our program logs.

You were listening to WCHP located in Champlain, New York. We operate on the assigned frequency of 760 Khz with a daytime power of 25,000 watts. We have only been on the air since August 21, 1985.

To answer your question regarding WJR, we are protecting a strong signal coming from the southwest originating in Buffalo, which possibly is WJR, but I cannot confirm that for sure.

Enclosed is some station information to add to your collection.

Sincerely,

David V. Benton  
Station Manager

## 25,000 WATTS OF INSPIRATION

Dear Friend:

May this letter and bulletin insert serve as a brief introduction to WCHP, an all new commercial Christian Radio station that will serve the Champlain, Plattsburgh, Burlington and Montreal areas.

WCHP/760 Khz on the AM dial will be broadcasting the "Good News" of Jesus Christ from sunrise to sunset, seven days a week. WCHP will carry a wide selection of national and local Christian programming including such well known broadcasts as Insight for Living with Chuck Swindoll, Focus on the Family with Dr. James Dobson, Grace to You with John MacArthur, to name a few.

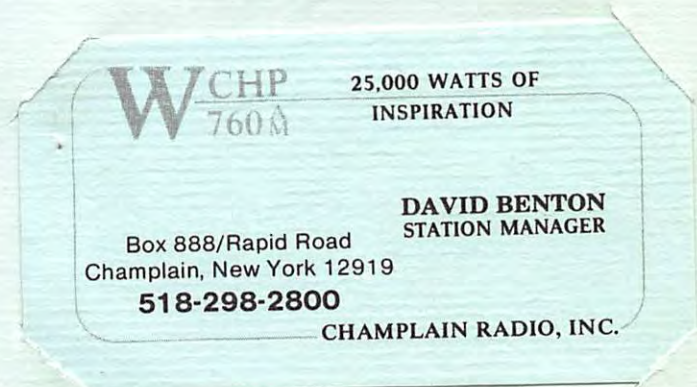

Since we're new, we'd like to ask for your help in spreading the news that WCHP will very soon be on the air. The mission of WCHP is two fold: to reach as many people as possible for Jesus Christ; and to strengthen believers with sound, solid Bible teaching. We believe that there are many persons in your congregation who will be happy to learn of and listen to this new radio ministry.

Accordingly, we have prepared the attached flyer to serve as an introduction. Your help in sharing these with your people as an insert in either your Sunday bulletin or church mailing will be a greatly appreciated and will be an important contribution in the launching of this new endeavor to proclaim the Salvation of our Lord Jesus Christ.

Should you have any questions concerning the distribution of the inserts, or should you desire more information about WCHP, please don't hesitate to contact me.

Sincerely,

David V. Benton
