Mr. Ernest R. Cooper

Brooklyn, N. Y.

Dear Mr Cooper:

I am equally surprised at receiving your report on our signal especially when considering the time of day you heard us.

We were indeed on at that time and to complete the identification, Amsterdam is the carpet city (Bigelow-Sanford & Mohawk Carpet).

We have been on here since the afternoon of April 7, when we first began program tests.

Our schedule runs from 6:45 A.M. to 12:05 A.M., Sundays 8:00 to 12:05.

As yet we have no regular test or frequency check schedule but we have been doing considerable testing between 1:30 A.M. and 3:30 A.M.

Thank you very much for your elating report.

Yours truly
