Dear Mr. Cooper:

Thank you for your letter of November 24th, requesting confirmation of reception of WDCW on various dates.

I am pleased to inform you that I can confirm that you were tuned to 1390 AM, WDCW. For further information that you might appreciate, I have enclosed some information from our engineering department that should be of interest to you, along with a bumper sticker and program card.

We are a new station with the Christian format, and I have not yet been able to hire a complete staff to make us 24 hours, seven days a week. That should be happening by next week-end, however. That is why you are unable to hear us every time you seek our frequency.

I very much appreciate your taking the time to write.

Sincerely,

Sue Bahner,
STATION MANAGER
