Ernest R. Cooper..

Hi:

Hope you will pardon the informality of this letter. but I want to answer your letter as soon as possible - it was much appreciated. we have increased our power and the references you make to our log were at 750 - and to the best of my knowledge are correct. The voice you heard in most cases when you were copying us was

mine. or I work the 6 to 11th spot
each evening. - on your reference
to the ~~log~~ Log of. 6-8-55-6:29:45
you seem a bit confused or perhaps
it is our new man. who was
on at that time this is the
reference to the weather sponsored.

By. on tue or Thur. it is
a sustaining spot. and has no
sponsors. I am sure it has a tag that
could have made reference to Tue
and Thur. - - which would

Be an Play. Radio. Program.

I hope that you will not
Have too much difficulty in reading
my script - Thank you. - -

I am enclosing an program schedule
from the local paper. which
should be of some use to you.

Some notes on your letter.

The interfering stations you have listed are of great interest to us here all of our knowledge of reception of our signals come by two means. one yours which has great practical and our own field measurements. - we do not have as yet a coverage map but will prepare one as soon as possible and you shall receive a copy.

as for you attempts of our 44
frequency check and we make them

at - 00:15 Monday morning. EDT
with RCA RIM head I.L.

we have not had one in 2 mo.
due to tower failure which took
us off the air. However to morrow.

night I shall make one 1490 KC
0015 - EDT - ~~21~~ Jan. 55 - and each

date thereafter.

Port for us. Data 10,000 Pop. -
