Dear Sir:

I would first like to apologize for our not writing you before this. But since you know we are a new station I'm sure you understand how it could happen. I understand you dropped by the station Sunday. Sorry I missed you, but I had been on the air all day and was glad to get home.

We are more than happy to join your files of verifications on DX contacts. As to early morning frequency checks we have on bi-monthly on the first Tuesday morning. Listen between 12 midnight and 12:30 and you may get us. If you do let me know won't you? For the month of May our on the air hours are 6:15 to 8:15 Mon. thru Sat., and 7:15 to 4:30 on Sunday. June and July will be our longest broadcast days, with our weekday schedule extended to 8:30. The station has been on the air since Dec. 28th 1964, so as mentioned above we are relatively new. You will find a WELV coverage map enclosed as per your request. If more information is needed don't hesitate to write.

Sincerely,

*John Watson*
