Dear Earnest -

Thanks for your DX information - sorry I didn't respond earlier. I know your hobby is an exciting one. This letter is to confirm your report is correct. It's nice to know that when I visit the Cape, I can pop on WFBR to make sure we're still on! (Ha Ha). Good luck with your goal of 300 DX reports. I hope you go well beyond.

Sincerely
Al Jenner
Chief Engineer -
