

19 Jan 1948

This will verify your reception of our program from 6:00:10 am to 6:12:45 am EST on 12 Jan 1948.

You may be interested to know that we are now conducting frequency tests every morning from 5:45 to 5:48am with our carrier modulated with a 1 kc tone and frequent station breaks.

Thanks very much for your interest in our test programs and forgive the delay in answering your request for verification.

WJL 1440 kc 1 kw  
Niagara Falls, N. Y.

Sincerely yours .
