Dear Mr. Cooper,

This letter will serve as verification of your reception of this station on Monday, August 20, 1951. (1480 kc.)

WLEA is a new station and not a re-establishment of the former WLEA which was deleted last February. We began our regular schedule of operations on Saturday, September 1st. We sign on at 6 A.M. weekdays and 7:30 A.M. Sundays. Sign off will be at 7:15 P.M. for the month of September.

We will have early morning frequency checks with RCA*~~Riverhead~~ but we have not received our schedule as yet. Our radiating system is non-directional and we are using new Gates equipment throughout.

Thanking you for your interest, I am

Sincerely yours,

Howard Huff
Chief Engineer
