Dear Mr. Cooper:

We here at WMSA were very glad to have received your report on the equipment test program which we put on during the morning of October 11, 1945.

According to your letter, you heard WMSA between the hours of 3:10 A.M. and 3:17 A.M. Your log of our programs is correct in every detail and we are only too pleased to verify the fact that you heard us during the time stated.

Thanks for your cooperation during this test and sometime in the near future, we believe that we can promise you DXer's a real show.

Sincerely yours,

MICHAEL YONKOVIG
