Dear Mr. Cooper:

Thank you for the exciting report of your reception of WNYM Radio on Saturday morning, September 26, 1981. Indeed you do have a interesting hobby, one that is profitable to us as we promote our vast coverage to potential clients, as per your written report. I have passed your letter along to Jacob Underwood who I imagine will be writing you also.

Point of information, within the last two weeks we have received phone calls from Springfield, Mass. Friends there tell us they listen to our program all the time. Keep up the good work and may God give you a great day, today.
