Dear Mr. Cooper:

Thank you for your very good letter.

You asked if we would be interested in a special DX Test program some morning. It seems that we have not only had rough sailing over the air, but in other ways also. At the present there are many descisions calling for attention. So in view of this, we will have to say we're sorry and hope we can be of service to you latter on in the year perhaps.

You may accept this as a confirmation to your report of reception of WNYS on Jan. 5th, 1958, at 7:00 Sign On.

Cordially yours,

Hiley A. Rainer Jr.
