Dear Mr. Cooper:

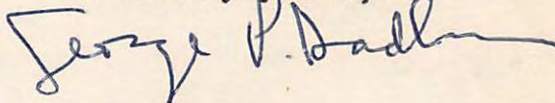

Many thanks for your interesting and accurate reception report. To date, we have received about 35 reports, mostly from the Northeast, Midwest, New Brunswick, and Nova Scotia. WKWF gave us some trouble in some areas along with heavy QRN.

I think you've had remarkable success with your DXing and I would like to congratulate you. I also am a radio amateur (W2ZZJ) and with my HQ-140 do some DXing. Mostly checking on stations in which I'm interested.

For April, we will be operating from 6:25 AM to 6:45 P.M. Our frequency checks are with Cambridge Crystals the 4th Monday morning of Feb., May, Aug., and Nov. at 12:30 AM.

Many thanks for your kind words and continued success with your DX.

Sincerely yours,

P. S. Yes, we dropped the 5 KW application.
