Ernest:

This is to confirm your reception of WQEW on Wednesday Feb 16, 1994 as well as Thurs, 2/17 and Saturday 2/19. —  
I couldn't lay my hands on a coverage map, but we obviously blanket Provincetown in the wee small hours. —

Hope you're surviving this winter in good shape. —  
If nothing else, it's perfect weather for staying indoors and DX'ing! —

Best Wishes,
