Dear Mr. Cooper:

I must apologize for the delay in answering your letter of July 29th..

The information you supplied corresponds with our program logs for that date and time.

WTBQ went on the Air July 25th with regular programming and is licenced to operate daytimes on 1110 kHz. For the month of September our sign on time is 6:30 am with sign off at 7:15.

You are always welcome to visit our facilities here in Warwick although we are quite small.

Again many thanks for your encouragement and best wishes.

Sincerely,

Ted Baker
Operations Director.
