Brooklyn 26, New York

Dear Mr. Cooper:

Please excuse the delay in answering your letter of November 27th, but as we are a new station, there are many things that still are in the process of being straightened out.

WVET is a new station and has been on the air since November 22nd. What you heard was a test and this will verify that your report was correct.

Thank you for your interest in writing.

Cordially,

STATION W V E T
