Dear Mr. Cooper:

This is to confirm your reception of WVIP on Friday morning
July 11, 1958 from 2:16 AM to 2:32 $\frac{1}{2}$ AM. We were on the air
doing an audio proof of performance.

Our frequency checks are conducted during broadcast hours
with RCA at Riverhead.

It may interest you to know that we have just applied with
the FCC for a power increase to 5 kw.

Thank you very much for your reception report and the next
time you are in the WVIP area please drop in.

Very truly yours,

Ernest Machanic
