Dear Mr. Cooper,

I am in receipt of your letter advising us of your reception of WYFA. The only thing wrong with your verification letter, was that you spelled Tony Lonardo's name wrong! Everything else was accurate.

I was very happy to learn that our signal carries so far, and will have my Chief Engineer notify you of when he is anticipating doing our next proof of performance checks.

Thank you for your interest in WYFA.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Perry Silver', is written over a light-colored background.
