Dear Sir:

This is to acknowledge receipt of your letter of Oct. 12, 1948 stating and giving schedule of signals received from this station. Your letter was among three we received from New York on that one test program... I'll give you the names of the others , I realize N.Y. is a big place but you may know them through the National Radio Club. They are : Charles J. Martin , 693 E. 42nd St. B'klyn N.Y. and Erick R. Johnson 1610 Mahan Ave. NY 61, N.Y.

Your schedule of signals received was correct according to our log. We wish to thank you for letting us know we can get a signal that distance. Thanks again..

Yours truly

Wes. Ninemire
