Dear Mr. Cooper:

This will acknowledge receipt of your letter of February 5th in which you advise you picked up our station on a test program Sunday morning, February 5th, 2:42 a.m. to 3:06 a.m. This will verify your picking up our station and verify the program received as outlined in your letter.

KSPI has been on the air since June 31, 1947 with a 325 foot tower and exceptionally good copper ground system. We usually have our test programs on Sunday morning every four weeks. However, sometimes this varies.

Sincerely yours,
